

Quality Policy Statement

Our Group aim is to become the first choice in the provision of:

Facility Management / Contract Cleaning / Security Services / M&E Services

We aspire to be an ethical organisation, delivering efficient services, establishing an industry wide reputation for excellence in service provision.

To support Incentive FM Group achieving its ISO 9001 2015 Quality Management System accreditation. Every member of the group is committed to establishing objectives for key aspects of service delivery.

In this endeavour, we will comply with all legislative requirements and strive to meet customer demands and aspirations.

Incentive FM Group strives to promote continual improvement in all aspects of the business and industry related standards.

This Policy Statement is published and communicated to our employees, our clients and to any interested parties.

At each management review, our performance in conforming to specified targets will be assessed and if necessary measures taken to ensure they will be achieved.
